

All of Hollywood Expressions (HEX) classes are being held in a conference hall or at a convention center. These locations are carefully picked to accommodate most of our student's commute. The atmospheres of our classes are educational, professional, fun, and friendly. All final locations will be confirmed and announced on our Website.

Common questions about the location:

Why does HEX hold its classes at hotel conference halls?

This is a great way for us to come to you. We come to your town or a town near you, therefore you don't have to travel to LA or NY and spend your hard earned money on accommodations and travel in order to take our class.

Why doesn't HEX have a school in every town that they have an event?

If we did have a physical school building in every town, we would need a large staff to run it. We would then have to pass on this added expense to our students by raising the cost of our tuition. That is the one single reason most traditional makeup schools charge a large sum of money for their tuition for the same certification. When schools have a big spending budget, it would naturally come from the student's tuition. You are the one who is paying for it. That is one reason why we can offer our classes for less than most other makeup schools.

Why does HEX confirm its final hotel location two month closer to the event? Why not sooner?

Researching to find a suitable location takes time. We also try to negotiate hotel rates and do the best we can to keep our spending budget low so that we can pass the savings on to our students. Some hotels do not make any reservations beyond one month prior to the event. Some other ones will try to raise their prices if they realize that our facility and our clientele are dependent to their location. That is why we must constantly search and negotiate to do the best for all of us.

Please note that the final location will be up and announced on our Web site at 2 month prior to each given event. Let us know if you have any questions. Please contact us at the school for any inquiries in regards to your class reservations.

Please only contact the hotel if you must reserve a guest room in the hotel for all other questions and enrollments contact us at the school. If you have difficulties reserving your room at the hotel or the front desk for the hotel isn't helpful be sure to let us know about it.
