

How to Become a Makeup Artist!!

Helpful makeup school/ artist tips:

What do I learn in a Makeup School? Is a makeup school the same as a beauty school or cosmetology school?

Many people are either not sure or are mistaken when it comes to the differences between a beauty make up school vs. a beauty cosmetology school. Here are the differences:

1. A beauty/ cosmetology school is where you study hair in order to become a hair stylist.
2. A beauty makeup school is where you study makeup cosmetic application, and facial feature anatomy.

What are the HEX High Fashion Beauty Makeup Artist Certificate Classes?

At Hollywood Expressions (HEX) you will learn the arts of beauty and fashion makeup, and the science of facial feature improvement. At HEX beauty makeup school, we focus on working on the face and the science of makeup artistry.

We offer Certification in makeup artistry to help our graduates become employed as a professional makeup artist.

What can I do after I get my Certification?

1. You can work for yourself as a freelance contractor makeup artist,
2. Work for an agency and get referrals for jobs,
3. Work for a company such as MAC Cosmetics,
4. You can open your own cosmetic shop,
5. Sell your own cosmetic line online, or
6. Become runway, fashion editorial, media or bridal freelance makeup artist.

These are just some of the possibilities to choose from.
